

Darlington School Early Orientation Session

The Early Orientation Session immerses new international students in the culture and life of a Darlington student, preparing them well for their first day of school. Participants are exposed to the academic rigor found at Darlington during daily classroom activities with Darlington teachers. They will make friends, connect with mentors and begin to navigate their new surroundings on the school's 500-acre campus. Weekday activities allow students to pursue their passions or try an activity for the first time, while a variety of weekend trips, both locally and out of state, create an unmatched experience.
